Multi-storey car parks

We have three multi-storey car parks in Nottingham City Centre, Broad Marsh car park, Lace Market car park and Trinity Square car park. These are safe, secure and easy to use. There are various ways to pay for your parking such as using your debit/credit card for [contactless](#) or chip and pin payments at the entrance and [exit barriers](#) (with the same card) or using the [RHParking app](#) which is available to download through the App Store/Google Play, alternatively take a ticket on entry and pay at the pay stations.

All our multi-storey car parks and surface car parks, have been awarded The Park Mark™ award and have achieved their challenging standards. The distinctive Park Mark signage helps drivers find car parks where they can confidently leave their vehicle, knowing the environment is safer, locations of these car parks are over the page. We have also been granted the Disabled Parking Accreditation® at the Broad Marsh, Lace Market and Trinity Square multi-storey car parks this means you know and trust that the car park has been assessed and that it is accessible to disabled motorists.
